Carol E. Craig

Academic Preparation

Executive Management Training	2006	Wharton School of Business University of Pennsylvania
Family Nurse Practitioner	1995	University of Wisconsin
Ph.D. Nursing	1991	University of Colorado
M.S. Nursing	1984	University of Alaska
B.S. Nursing	1982	University of Alaska
A.D. Nursing	1977	Lane Community College
B.A. Cultural Anthropology	1971	University of California

Professional Experience

October 2008 to Present: Associate Dean for Undergraduate Programs and Professor, University of Portland School of Nursing

- develop resources for new programs and campus development
- maintain curriculum oversight for undergraduate programs
- oversee accreditation standards for undergraduate programs and maintain compliance
- develop new curriculum and programs for undergraduate students
- evaluate curriculum for undergraduate programs
- mentor faculty and staff

September 1998 to October 2008: Associate Professor, Oregon Health Sciences Center School of Nursing
Director of Academic Programs on the Klamath Falls campus from July, 2003

- develop resources for new programs and campus development
- teach in undergraduate, RN to BS and graduate nursing programs
- develop new curriculum and programs for on-site and distance learning
- recruit and manage faculty and staff
- develop and maintain simulation center for undergraduate and post-graduate education
- do research with rural populations with chronic health conditions

June 1998 to Present: On-Site Evaluator, Commission on Collegiate Nursing Education

- provide onsite review of baccalaureate and graduate nursing programs for accreditation

June 1995 to June 1998: Family Nurse Practitioner, Flagstaff Community Free Clinic.

- provide primary care for clients throughout the lifespan

September 1994 to September 1998: Project Director, Flagstaff Community Free Clinic Training Grant.

- develop and manage operations of a primary care clinic for a medically underserved rural population

- coordinate and evaluate clinical educational experiences for NAU health professions students

August 1991 to May 1998: <u>Assistant/Associate Professor</u>, Northern Arizona University, Dr. Eileen Breslin, Department Chair

- teach in undergraduate, RN to BSN and graduate nursing programs
- interactive TV course development and instruction
- graduate program curriculum development
- co-chair of graduate program

October 1990 to May 1991: <u>Clinical Instructor</u>, University of Colorado Health Sciences Center, Denver, Colorado

- instruct undergraduate and graduate nursing students in management and administration and first semester medical-surgical nursing

September 1989 to August 1991: <u>Research Assistant, Rural Home Care Study</u>
University of Colorado Health Sciences Center, Denver, Colorado

- conduct ethnographic interviews of caregivers and elderly recipients of home care in rural Colorado
- computer entry and analysis of data
- teach continuing education courses to nurses in rural areas around Colorado

August 1988 to August 1991: <u>Instructor and Research Assistant</u>
University Hospital, Denver, Colorado

- assist staff nurses at University Hospital who were doing clinical research in research design, analysis and evaluation
- teach continuing education classes in research techniques and computer analysis
- coordinate activities of the nursing research committee

May 1986 to August 1988: <u>Assistant Administrator for Patient Care Services</u>
Charter North Hospital, Anchorage, Alaska

- administrator for all clinical services offered by the hospital
- Director of Nursing
- develop an extensive orientation system for clinical employees
- design and implement treatment planning and auditing systems
- develop the first hospital-wide standards of care
- teach continuing education classes for professional and public groups
- develop a continuing education program for rural hospitals
- conduct a bi-weekly radio program on mental health issues

August 1987 to August 1988: <u>Clinical Instructor</u>
University of Alaska, Anchorage, Alaska

- teach undergraduate students in psychiatric nursing
- develop first joint practice position for School of Nursing

December 1984- May 1986: <u>Director, Psychiatric Emergency Team</u>
Charter North Hospital, Anchorage, Alaska

- develop and implement first psychiatric emergency team in Alaska
- provide crisis management, psychiatric assessment, and emergency services –provide extensive public speaking and community education

August 1983 to December 1984: <u>Graduate Teaching Assistant</u>
University of Alaska, Anchorage

- teach basic assessment and clinical skills to undergraduate nursing students
- develop self-instruction modules on basic clinical skills

May 1984 to December 1984: <u>Staff Nurse, Psychiatric Unit</u>
Providence Hospital, Anchorage, Alaska

- staff nurse for an 11 bed psychiatric unit in a general hospital.
- develop group materials for didactic groups, led process groups and did individual counseling.

October 1982 to October 1983: <u>Nurse/Counselor</u>
Veterans Administration, Alcohol and Drug Treatment Unit, Anchorage, Alaska

- develop programs for the new unit and wrote the nursing policies and procedures
- establish an outpatient detoxification clinic, developed materials for group counseling

May 1980 to October 1982: <u>Nurse Coordinator</u>
Clitheroe Alcohol and Drug Treatment Services, Anchorage, Alaska

- screen clients for services, did crisis counseling and physical exams, and provided care during acute withdrawal
- develop and implement outpatient detoxification clinic

August 1977 to August 1979: <u>Staff Nurse</u>
Seward, Alaska

- provide general duty staff nursing
- develop in-house continuing education program

Publications

Grant History

"Expanding the Nursing Program at OHSU Klamath Falls". February, 2007, funded by the Merle West Medical Center Foundation, $120,000.

"End of Life Care for Rural Adults", February 2006, Funded by the Betty Gray Foundation for Rural Research, $30,000.

"Suicide and Spirituality Among Close Relatives of Suicide Completers", July, 2006, Funded by the Gilhousen Family Research Foundation, $40,000.

"Suicide and Spirituality Among Close Relatives of Suicide Completers", September, 2005, Funded by the Gilhousen Family Research Foundation, $60,000.

"The Influence of Spirituality on Well-being among Rural-Dwellers", February 2005, not funded by the Betty Gray Foundation for Rural Research.

"Expanding the Nursing Program at OHSU Klamath Falls". February, 2006, funded by the Merle West Medical Center Foundation, $120,000.

"Expanding the Nursing Program at OHSU Klamath Falls". February, 2005, funded by the Merle West Medical Center Foundation, $60,000.

"Klamath Basin Simulation Center Coalition", December, 2004, funded by the Governor's Healthcare Initiative, $49,750.

"Expanding the Nursing Program at OHSU Klamath Falls". April, 2004, funded by the Merle West Medical Center Foundation, $60,000.

"Spirituality: Rural Dwellers and Chronic Illness", Principal Investigator, March, 2002, funded by the Center for Research on Chronic Health Conditions in Rural Dwellers, $10,000.

"A Depiction of Child Sexual Abuse in a Rural County", Co-Principal Investigator, $500 July, 2001, funded by Sigma Theta Tau, Beta Psi Chapter.

"Web Based Digital Repository of Intellectual Assets for Students in Nursing 487 and Nursing 488", $1679.50, FITA, 1 year, March 1999, (Funded).

"The Role of Baccalaureate-Prepared Nurses in Ambulatory Care Settings", $3,515, FIRA, October 1998, (Not Funded).

"Assisting Elders Through A Community Caregiving Coalition", $93,000, Co-Principal Investigator, April, 1998, 1 year, (Funded).

"Providing Primary Health Care to Rural Underserved", (Principal Investigator), U.S. Department of Health and Social Services, $637,000, 5 years, September, 1993, (Funded).

"Factors Affecting Nursing Student Performance on the NCLEX Exam", Northern Arizona University, $3,000, August, 1993, 1 year, (Funded).

"Health Risk Appraisal for the Hualapai Tribe", Hualapai Tribe, April, 1994. (Funded).

"Long Term Care Patterns in Elderly Navajo", (Primary Investigator), Organized Research Funds, Northern Arizona University, July, 1993, $3000, 1 year, (Funded, but unable to obtain permission from the Navajo People to accomplish the work).

"A Photographic Study of the Rural Elderly in Colorado", (Co Investigator) University of Colorado Health Sciences Center, January, 1991, $2,000, 1 year (Funded).

"Community Process and Health of the Rural Elderly", (Primary Investigator) National Center for Nursing Research, May 1990, $32,000, 2 years, (Funded).
