Scholarship of Teaching

Submitted proposal to be a Carnegie Scholar for the academic year, 2005-2006. The focus of the proposal was on teaching and integrative learning.

Presentation and Participation at Conferences and Forums

“Integrative Learning through Interdisciplinary Teaching,” Panel presentation at the AAC&U 2009 Annual Meeting, “Ready or Not: Global Challenges, College Learning, and America’s Promise,” Seattle WA. January 23, 2009.

This session outlined and characterized the successful attributes and challenges of integrative and interdisciplinary teaching with a focus on integrating multiple and conflicting perspectives, team-teaching and assessment. Our panel addressed the following questions. What is the contribution and role of interdisciplinary team teaching to student learning? How does one structure experiences so that conflicting disciplinary perspectives can be explored and stimulate greater learning? Other panel members included Drs. Moore, Kolmes, Butkus, and Duff.

Chaired a session, Post-Consensus Ethics, the Natural Law,

and Civil Society, at the conference, The American Experiment: Religious Freedom Conference, University of Portland, April 14, 2007
