

*Sponsoring Department(s) and College(s) Faculty-Led Course
Development Approval*

Academic department(s) and college(s) are responsible for reviewing and endorsing all academic components of the proposed program including course subject matter, instructional delivery methods, syllabus(i), and contact hour requirements (see below) prior to submission to the CISGO/Study Abroad review committee. Please refer to the Department Chair/College Dean/Associate Dean Proposal Review Guidelines for more information.

Proposals must be approved by the department chair and submitted to the college dean(s) for review by the Faculty Director **prior** to the Faculty-Led Course Proposal submission deadline.

Department Chair

I have reviewed and support the applicant's faculty-led program proposal.
